

Seyed Mohsen Dehghani M.D.

Specialty Board of Pediatrics,

Subspecialty Board of Pediatric Gastroenterohepatology

Personal data:

Nationality: Iranian

Date of birth: 22 June 1970

Place of birth: Shiraz, Iran

Gender: Male

Marital Status: Married

Children: Two sons

Address: Pediatrics Office, Nemazee Hospital, Shiraz

University of Medical Sciences, Shiraz, 71937-11351, Iran

Phone Number: +98 711 612 5849

Fax Number: +98 711 647 4298

E.mail, official: dehghanism@sums.ac.ir

E.mail, personal: dehghanism@gmail.com

Education:

- High School Diploma, Kherad High School, Shiraz, Iran, 1988.
- M.D., Shiraz University of Medical Sciences, Shiraz, Iran, 1988-1994.
- Internship, Shiraz University of Medical Sciences, Shiraz, Iran, 1994-1995.
- Pediatric Residency, Department of Pediatrics, Shiraz University of Medical Sciences, Shiraz, Iran, 1998-2001.
- Fellowship in Pediatric Gastroenterohepatology, Department of Pediatric Gastroenterohepatology, Shiraz University of Medical Sciences, Shiraz, Iran, 2003-2005.

Qualifications:

- M.D.: Shiraz University of Medical Sciences, Shiraz, Iran, 1995.
- Specialty Board, Pediatrics: Iranian National Board of Pediatrics, Shiraz, Iran, 2001.
- Subspecialty Board, Pediatric Gastroenterohepatology: Iranian National Board of Pediatric Gastroenterohepatology, Shiraz, Iran, 2005.

Academic Appointments:

- Assistant Professor, 2005-2009
- Associate Professor, 2009-2013
- Professor, 2014

Department of Pediatric Gastroenterohepatology, Shiraz University of Medical Sciences

Honors and Awards:

The youngest featured Researcher of the whole country, Chancellor of Shiraz University of Medical Sciences, 2008

The best Professor of Shiraz University of Medical Sciences in the 6th Kimiay-e shargh conference, 2009

Active Researcher of Shiraz Medical School, Chancellor of Shiraz University of Medical Sciences, 2009

Superior Researcher in Fars Province, Governor of Fars Province, 2009

The best Faculty member of Shiraz University of Medical Sciences, Chancellor of Shiraz University of Medical Sciences, 2009

Active Researcher of Shiraz Medical School, Chancellor of Shiraz University of Medical Sciences, 2010

Superior Faculty member of Shiraz University of Medical Sciences, Chancellor of Shiraz University of Medical Sciences, 2010

Active Researcher in writing book, Chancellor of Shiraz University of Medical Sciences, 2011

The best Researcher of Shiraz University of Medical Sciences, Chancellor of Shiraz University of Medical Sciences, 2013

The best Faculty member of Shiraz University of Medical Sciences, Chancellor of Shiraz University of Medical Sciences, 2014

The best Researcher of Shiraz University of Medical Sciences, Chancellor of Shiraz University of Medical Sciences, 2014

Superior Researcher in Fars Province, Governor of Fars Province, 2015

Professional Membership:

- Iranian National Medical Council
- Iranian National Pediatrics Society, Fars branch
- Iranian Association of Gastroenterology and Hepatology
- Iranian Society of Pediatric Gastroenterology and Hepatology
- International Pediatric Transplant Association
- Gastroenterohepatology Research Center
- Shiraz Transplant Research Center

National Editorial Board Membership:

- Iranian Journal of Medical Sciences
- Middle East Journal of Digestive Disease

International Editorial Board Membership:

- World Journal of Gastroenterology
- World Journal of Transplantation
- Journal of Gastroenterology and Hepatology Research
- Case Reports in Pediatrics
- World Journal of Gastrointestinal Pharmacology and Therapeutics
- Austin Journal of Gastroenterology
- Journal of Neonatology and Clinical Pediatrics
- New American Journal of Gastroenterology & Hepatology
- Archives of Clinical Gastroenterology
- SM Journal of Gastroenterology & Hepatology
- SM Journal of Hepatitis Research and Treatment
- Gastroenterology and Endocrinology open Library Journal

Thesis:

- Prevalence of overweight and obesity in Yazd province of Iran, 1995.
- Prospective study of autoantibodies in patients with Henoch-Schonlein purpura, 2000.
- Prospective study of spontaneous bacterial peritonitis in children with ascites, 2006.

Services:

- Advisor to medical students, pediatric residents, and pediatric gastroenterohepatology fellows for their Thesis.
- Assistant Dean of Education of Pediatrics Department, Shiraz Medical School, 2006-Present.
- Assistant Dean of Education of Pediatric Gastroenterohepatology Section, Shiraz Medical School, 2006-2012.
- Head of Pediatric Gastroenterohepatology Section, Shiraz Medical School, 2012-Present.
- Member, Internal Evaluation Committee of Pediatrics Department.
- Faculty of Organ Transplantation Center, Pediatric Liver Transplantation, Nemazee Hospital, Shiraz University of Medical Sciences.
- Member, Breast Feeding Development Committee, Fars province.
- Faculty of Cohort Study Committee of Shiraz University of Medical Sciences.

Publications (Books):

1. Approach to a Child with Diarrhea. Shiraz University of Medical Sciences Publications, 2010.
2. A Guide for Patients with Liver Diseases including Guidelines for Nutrition. Shiraz Eram Publications, 2010.
3. What a Physician should know about Common Pediatric Gastrointestinal Diseases, Shiraz University of Medical Sciences Publications, 2013.
4. Guidance on the Use of Gastrointestinal and Liver Medicines for Children, Artin Teb Publications, 2017.

Presentations:

- 1.** Solitary rectal ulcer syndrome in children: a prospective study of cases from southern Iran. XXXVII Nordic Meeting of Gastroenterology 3-5 May 2006, Vasteras, Sweden.
- 2.** Comparison of different diagnostic methods in infants with Cholestasis. 14th United European Gastroenterology Week, 21-25 Oct 2006, Berlin, Germany.
- 3.** Pediatric liver transplantation in Iran: evaluation of the first 50 cases. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 4.** Comparison of Child-Turcotte-Pugh and PELD scoring systems in predicting morbidity and mortality of children awaiting to undergo liver transplantation. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 5.** Morbidity and mortality of children with chronic liver diseases, who listed for liver transplantation in Iran. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 6.** Diabetes mellitus after liver transplantation in Iranian recipients. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 7.** Post liver transplant hyperlipidemia in Iran: prevalence and risk factors. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.

- 8.** Early postoperative complications of pediatric liver transplantation. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 9.** Post liver transplant malignancy in Iran. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 10.** The effect of high volume liver transplantation on mortality and survival rate. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 11.** Nonfunction graft after orthotopic transplantation. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 12.** Preoperative and post-operative ascites are major predictive factors of survival after liver transplantation. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 13.** Factors influencing obtained consent rate from the deceased donor families: an experience in southern Iran. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 14.** Incidental pathologic findings in liver transplantation. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 15.** Does donor's fatty liver change early mortality and outcome of liver transplantation? 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 16.** Liver transplantation and aortic valve replacement. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 17.** Omission of intravenous cyclosporine from the liver transplantation immunosuppressive regimen: a prospective comparative study. 10th Congress of the Middle East Society for Organ Transplantation, November 26-29, 2006, Kuwait.
- 18.** Renal dysfunction after liver transplantation. 14th Congress of the International Pediatric Nephrology Association 31 August – 4 September 2007, Budapest, Hungary.
- 19.** Migraine headache and acid peptic diseases in children. Seoul International Digestive Disease Symposium 20-22 November 2007, Seoul, Korea.
- 20.** Endoscopic findings in children on non-steroidal anti-inflammatory drugs (NSAIDs). Seoul International Digestive Disease Symposium 20-22 November 2007, Seoul, Korea.

- 21.** Esophageal caustic injuries and colon interposition in children: long term follow up. Seoul International Digestive Disease Symposium 20-22 November 2007, Seoul, Korea.
- 22.** Bowel movement patterns in children with acute appendicitis in Shiraz, southern Iran. Seoul International Digestive Disease Symposium 20-22 November 2007, Seoul, Korea.
- 23.** Cyclic vomiting syndrome in children experience with 181 cases from southern Iran. Iranian Congress of Gastroenterology and Hepatology 27-30 November 2007, Tehran, Iran.
- 24.** Efficacy of the Standard Quadruple Therapy vs Triple Therapies Containing Proton Pump Inhibitor plus Amoxicillin and Clarithromycin or Amoxicillin-clavulanic acid and Metronidazole for *Helicobacter pylori* Eradication in Children. The second Iranian Congress of Clinical Microbiology 8-10 October 2008, Shiraz, Iran.
- 25.** Evaluation of the vaccination status in pediatric liver transplant candidates. The second Iranian Congress of Clinical Microbiology 8-10 October 2008, Shiraz, Iran.
- 26.** Etiology of upper gastrointestinal bleeding in children in southern Iran. Second Congress of the European Academy of Paediatrics 24-28 October 2008, Nice, France.
- 27.** Determination of liver enzymes, serum ceruloplasmin and urine copper in parents of children with Wilson disease. Second Congress of the European Academy of Paediatrics 24-28 October 2008, Nice, France.
- 28.** The role of growth hormone on growth and pulmonary function in children with cystic fibrosis. Second Congress of the European Academy of Paediatrics 24-28 October 2008, Nice, France.
- 29.** Neuromuscular complications after liver transplantation in children. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 30.** Quality of life and school performance after liver transplantation in children. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 31.** De novo ulcerative colitis after pediatric liver transplantation. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 32.** The excellent results of liver transplantation for tyrosinemia in Iran: A single center experience. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.

- 33.** Experience of living donor liver transplantation in Iran: A single center report. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 34.** Pediatric liver transplantation in Iran: A 9 year experience. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 35.** Split liver transplantation in Shiraz Transplant Center. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 36.** Etiologies of chronic liver diseases in liver transplant patients from 1991 to 2008 at Shiraz Transplant Center. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 37.** Liver transplantation for homozygous familial hypercholesterolemia. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 38.** Effect of D-penicillamine on liver fibrosis and inflammation in Wilson's disease. 11th Congress of the Middle East Society for Organ Transplantation, November 17-20, 2008, Shiraz, Iran.
- 39.** Celiac disease in children with short stature in Shiraz, southern Iran. Iranian Congress of Gastroenterology and Hepatology 27-30 November 2008, Isfahan, Iran.
- 40.** Prevalence of celiac disease in adults with cryptogenic chronic liver diseases compared to chronic viral hepatitis B patients in Shiraz, southern Iran. Iranian Congress of Gastroenterology and Hepatology 27-30 November 2008, Isfahan, Iran.
- 41.** New onset diabetes mellitus presenting with diabetic ketoacidosis after pediatric liver transplantation. 5th Congress of the International Pediatric Transplant Association, April 18-21, 2009, Istanbul, Turkey.
- 42.** Outcome of bowel perforation after pediatric liver transplantation. 5th Congress of the International Pediatric Transplant Association, April 18-21, 2009, Istanbul, Turkey.
- 43.** Hypertrophic cardiomyopathy and non-Hodgkin lymphoma in a child after liver transplantation. 5th Congress of the International Pediatric Transplant Association, April 18-21, 2009, Istanbul, Turkey.
- 44.** Tacrolimus related cardiotoxicity in liver transplant recipients. 17th United European Gastroenterology Week, November 21-25, 2009, London, United Kingdom.

- 45.** Cardiac evaluation in pediatric patients waiting for liver transplantation. 17th United European Gastroenterology Week, November 21-25, 2009, London, United Kingdom.
- 46.** Comparison of the low dose polyethylene glycol, lactulose and magnesium hydroxide in treatment of children with functional constipation. 17th United European Gastroenterology Week, November 21-25, 2009, London, United Kingdom.
- 47.** Efficacy of ondansetron in acute gastroenteritis associated emesis in children. 17th United European Gastroenterology Week, November 21-25, 2009, London, United Kingdom.
- 48.** PFIC The first report from south Iran. 43rd Annual Meeting of The European Society for Pediatric Gastroenterology, Hepatology and Nutrition, June 9-12, 2010, Istanbul, Turkey.
- 49.** Urinary tract Infection in Children with Chronic Liver Disease Waiting for Liver Transplantation. 15th Congress of the International Pediatric Nephrology Association, August 29- September 2, 2010, New York, USA.
- 50.** Frequency of Urinary Tract Infection and Nocturnal Enuresis in Children with Chronic Functional Constipation. 15th Congress of the International Pediatric Nephrology Association, August 29- September 2, 2010, New York, USA.
- 51.** Causes of Liver Disease in Iranian Pediatric Liver Transplant Recipients. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 52.** Effect of Family Members Education Level on Decreased Organ Donation. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 53.** Initiation of Discussion about Organ Donation at the Time of Death with Family Members. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 54.** Iron deficiency anemia in pediatric cirrhotic patients waiting for liver transplantation. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 55.** Liver transplantation in Crigler-Najjar syndrome: An Iranian series. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.

- 56.** Liver transplantation in patients with Progressive Familial Intrahepatic Cholestasis: A single center experience. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 57.** In situ splitting of the deceased donor liver: No hazard for the recipients of the right side of the liver and other abdominal organs. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 58.** Congenital hepatic fibrosis and need for liver transplantation: Report of two rare cases. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 59.** Pathologic evaluation of pre and post liver transplant cirrhotic nodule in children with tyrosinemia. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 60.** Hepatic angiosarcoma of childhood and liver transplantation: A case report and review of literature. 12th Congress of the Middle East Society for Organ Transplantation, October 18-21, 2010, Tunis, Tunisia.
- 61.** Pulmonary evaluation in pediatric liver transplant candidates. 18th United European Gastroenterology Week, October 23-27, 2010, Barcelona, Spain.
- 62.** Evaluation of immunity status to routine vaccination in pediatric liver transplant candidates. 18th United European Gastroenterology Week, October 23-27, 2010, Barcelona, Spain.
- 63.** Foreign body granuloma: A rare cause of biliary obstruction after liver transplantation. 10th Congress of the Iranian Society for Organ Transplantation. May 17-19, 2011, Shiraz, Iran.
- 64.** Evaluation of the late-onset cytomegalovirus infection after six months post liver transplantation in children in Iran. 10th Congress of the Iranian Society for Organ Transplantation. May 17-19, 2011, Shiraz, Iran.
- 65.** Evaluation of the late-onset candida infection after six months post liver transplantation in pediatric liver recipients in Iran. 10th Congress of the Iranian Society for Organ Transplantation. May 17-19, 2011, Shiraz, Iran.

- 66.** Liver transplantation for hereditary Tyrosinemia: A single center experience. 6th Congress of the International Pediatric Transplant Association. June 25-28, 2011, Montreal, Canada.
- 67.** The causes of organ donation refusal in Iran. 6th Congress of the International Pediatric Transplant Association. June 25-28, 2011, Montreal, Canada.
- 68.** The role of cow's milk allergy in pediatric chronic constipation: A randomized clinical trial. 20th United European Gastroenterology Week. October 20-24, 2012, Amsterdam, Netherlands.
- 69.** A Novel Mutation in Two Unrelated Wilson Disease Patients. 10th Asia-Pacific Conference on Human Genetics, December 5-8, 2012, Kuala Lumpur, Malaysia.
- 70.** The Same Haplotype for Two Unrelated Wilson Disease Patients with a Novel Mutation. 10th Asia-Pacific Conference on Human Genetics, December 5-8, 2012, Kuala Lumpur, Malaysia.
- 71.** Risk factors of mortality in children waiting for liver transplantation: New allocation score. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 72.** Prevention of post-transplant lymphoproliferative disease in pediatric patients with liver transplantation. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 73.** Hepatitis B recurrence after liver transplantation. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 74.** De novo malignancy following liver transplantation. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 75.** Experience of living donor liver transplantation in Iran. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 76.** Risk of hepatocellular carcinoma HCC in children with hereditary tyrosinemia type I: Shiraz transplant center experience. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.
- 77.** The role of nutrition in prevention of metabolic syndrome among post-liver transplantation patients: A review. 13th Congress of the Middle East Society for Organ Transplantation, December 12-15, 2012, Abu Dhabi, UAE.

- 78.** High Prevalence of T<C6+3903.c and C<G50+4021.c Polymorphism in exons 18 and 19 in Wilson Disease Patients. 3rd Iranian Medical Genetics Congress, May 15-16, 2013, Tehran, Iran.
- 79.** High Prevalence of C<T3419.c Polymorphism in exons 16 ATP7B gene in Wilson Disease Patients. 3rd Iranian Medical Genetics Congress, May 15-16, 2013, Tehran, Iran.
- 80.** Thyroid Hormone Levels in Children with Liver Cirrhosis Who Waiting a Liver Transplant. 7th Congress on Pediatric Transplantation (IPTA), July 13-16, 2013, Warsaw, Poland.
- 81.** Renal involvement in Children with Hepatorenal Tyrosinemia Referred for Liver Transplantation. 16th Congress of the International Pediatric Nephrology Association (IPNA), August 30-September 3, 2013, Shanghai, China.
- 82.** Wilson Disease. ESPGHAN Regional Meeting “ Update on Paediatric, Gastroenterology, Hepatology and Nutrition, November 7-9, 2013, Istanbul, Turkey.
- 83.** Evaluation of pediatric residents while performing lumbar puncture. 9th International Medical Education Conference (IMEC), March 11-13, 2014, Kuala Lumpur, Malaysia.
- 84.** Curriculum of pediatric residents’ training: is it effective and enough for their future careers? 9th International Medical Education Conference (IMEC), March 11-13, 2014, Kuala Lumpur, Malaysia.
- 85.** Liver transplantation and updates. Updates on Pediatric Gastrointestinal and Liver disease: New Treatments; Challenges, April 9-11, 2014, Mashhad, Iran.
- 86.** Prevention and treatment of hepatitis B in children. 9th Congress of Common Gastrointestinal and Liver Diseases in Children, May 28-30, 2014, Tehran, Iran.
- 87.** Evaluation of underlying liver disease and its severity in children who referred for liver transplantation. 14th Congress of the Middle East Society for Organ Transplantation, September 10-13, 2014, Istanbul, Turkey.
- 88.** Epstein-Barr Viral Load before a Liver Transplant in Children with Chronic Liver Disease. 14th Congress of the Middle East Society for Organ Transplantation, September 10-13, 2014, Istanbul, Turkey.
- 89.** Prevalence of Metabolic Syndrome in Pediatric Liver Transplantation. 14th Congress of the Middle East Society for Organ Transplantation, September 10-13, 2014, Istanbul, Turkey.

- 90.** Effect of Parents Educational Level on Mortality and Morbidity of Children after Liver Transplantation. 14th Congress of the Middle East Society for Organ Transplantation, September 10-13, 2014, Istanbul, Turkey.
- 91.** Latent Tuberculosis Infection in Liver Transplantation of Adults in Iran: Chemoprophylaxis and the Effect on Survival Rate. 14th Congress of the Middle East Society for Organ Transplantation, September 10-13, 2014, Istanbul, Turkey.
- 92.** Introduction to liver transplantation in children. National Congress of Pediatric Gastrointestinal and Liver Diseases, October 8-10, 2014, Shiraz, Iran.
- 93.** c.2335T>G Novel Mutation Causing Neurological Manifestations in Wilson disease Patients. 3rd Congress of Basic and Clinical Neurosciences, October 29-31, 2014, Tehran, Iran.
- 94.** Detection of Eight ATP7B Gene Mutations by Multiplex ARMS PCR. 7th Congress of Laboratory and Clinic, February 12-14, 2015, Tehran, Iran.
- 95.** Acute Liver Failure in Children. National Congress of Gastrointestinal and Liver Diseases and Nutrition in Children, February 25-27, 2015, Yazd, Iran.
- 96.** Treatment of Neonatal Cholestasis. 10th Congress of Common Gastrointestinal and Liver Diseases in Children, May 27-29, 2015, Tehran, Iran.
- 97.** Hepatitis A in Children. Shiraz International Hepatitis Conference, May 30, 2015, Shiraz, Iran.
- 98.** Outcome of Liver Transplantation in Wilson Disease Patients with Neuropsychiatric Manifestations. 17th Congress of the European Society for Organ Transplantation, September 13-16, 2015, Brussels, Belgium.
- 99.** Risk Factors of Mortality in Children Candidate for Liver Transplant. 17th Congress of the European Society for Organ Transplantation, September 13-16, 2015, Brussels, Belgium.
- 100.** Evaluation of Underlying Liver Disease and its Severity in Children who Referred for Liver Transplantation. 17th Congress of the European Society for Organ Transplantation, September 13-16, 2015, Brussels, Belgium.
- 101.** Living Related Liver Transplant: Iran experience. 2nd Kuwait Pediatric Gastroenterology, Hepatology and Nutrition Conference, October 15-17, 2015, Kuwait.

- 102.** Liver Transplant in Pediatrics: Shiraz experience. International Congress of Transplantation and Implantation, Khorasan Congress of Surgery, November 17-20, 2015, Mashhad, Iran.
- 103.** Mortality Risk Factors in Children who Candidate for Liver Transplantation. 15th Iranian Congress of Gastroenterology and Hepatology, November 25-27, 2015, Shiraz, Iran.
- 104.** Liver Transplant in Congenital Metabolic Disorders: Shiraz experience. 15th Iranian Congress of Gastroenterology and Hepatology, November 25-27, 2015, Shiraz, Iran.
- 105.** Tailored Immunosuppression and Immune Tolerance in Pediatric Liver Transplantation. Iranian National Congress of Common Pediatric Gastrointestinal and Hepatic Diseases and Nutrition, December 29-31, 2015, Chabahar, Iran.
- 106.** Food Protein induced Proctitis or Proctocolitis: Case Discussion. 1st Professor Amirhakimi International Pediatrics Congress, May 10-13, 2016, Shiraz, Iran.
- 107.** Neurological Crises after Discontinuation of Nitisinone (NTBC) Treatment in 3 Cases of Tyrosinemia. 1st Professor Amirhakimi International Pediatrics Congress, May 10-13, 2016, Shiraz, Iran.
- 108.** Gallbladder Hydrops Due to Viral Hepatitis A Infection: A Case Report. 1st Professor Amirhakimi International Pediatrics Congress, May 10-13, 2016, Shiraz, Iran.
- 109.** Effect of Propofol in Diagnostic and Therapeutic Endoscopy in Children in Shiraz Nemazee Hospital. 1st Professor Amirhakimi International Pediatrics Congress, May 10-13, 2016, Shiraz, Iran.
- 110.** Latex Agglutination Test (KAtex): A Non-invasive Urinary Antigen. 1st Professor Amirhakimi International Pediatrics Congress, May 10-13, 2016, Shiraz, Iran.
- 111.** Vaccination in Children with Chronic Liver Diseases before and after Liver Transplant. 11th Congress of Common Gastrointestinal and Liver Diseases in Children, May 18-20, 2016, Tehran, Iran.
- 112.** Evaluation of the correlation between tTG-IgA titer and duodenal biopsy findings in children with suspected celiac disease. 49th Annual Meeting of European Society for Pediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN), May 25-28, 2016, Athens, Greece.

- 113.** Bowel Preparation before Colonoscopy for Children: Comparison of Efficacy of Three Different Methods. 49th Annual Meeting of European Society for Pediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN), May 25-28, 2016, Athens, Greece.
- 114.** Single Center Long-term Results of Pediatric Liver Transplantation. 15th Congress of the Middle East Society for Organ Transplantation, September 21-24, 2016, Amman, Jordan.
